[Anonymous Stakeholder Input Questionnaire](#)

Norman C. Sauce III, Ed.D.
Region IV Superintendent
DeKalb County School District (DCSD)

Greetings Parents/Guardians, Students, Staff, and Partners of DeKalb County School District – Region IV,

I wish to begin by thanking each of you for your partnership and for your commitment to serving our scholars, families, and community in DeKalb County Schools- particularly Region IV. Serving others is the noblest of pursuits, and these are quite challenging times to serve. I thank you for your trust in us to provide your child with the tools and preparation to be successful now and into the future. Thank you for sending us your best with your child to the schoolhouse every day, as we journey together along the pathways of their education. Know that our educators and leaders within Region IV schools seek to provide your family with our best every day too – so that your child can experience the most impactful and relevant learning experiences possible. We appreciate your collaboration in these endeavors.

I am proud to have returned to DeKalb County School District in November 2022 for my tenure as Region IV Superintendent. I previously served this school district as Principal of Chamblee High School from 2015 to 2017. Now that I have been afforded this opportunity to lead as Regional Superintendent, I am eager to learn and understand our stakeholders’ experiences and perspectives on the strengths/assets, challenges/needs, and recommendations for improvement for the schools within our region. I will seek to do so in several ways.

Firstly, as soon time permits for you, I would like to invite you to provide us your feedback via this [anonymous stakeholder input questionnaire](#):

In the coming weeks I will also facilitate small group conversations with members our Region IV schools’ Principal Advisory Councils, teacher representatives, student leadership representatives, and community partners. Feedback received from the [anonymous stakeholder input questionnaire](#), from these small group conversations, and from principals’ input will guide our decision making and improvement planning for Region IV now and into the future.

We are so fortunate to be within one of the most ethnically, religiously, and linguistically diverse regions in the entire country, and perhaps even the world. The beautiful mosaic of our diversity is on full display in each classroom within Region IV- which literally spans the globe. I am humbled and grateful for the opportunity to serve as Regional Superintendent for this community. My goal is to support our teachers, leaders, and school staff *to inspire our community of learners to achieve educational excellence*. Your responses will assist us to collaboratively chart our common course forward in Region IV. If there is anything my office can help your family to achieve, please contact me at [Norman C Sauce@DeKalbSchoolsGA.org](mailto:Norman_C_Sauce@DeKalbSchoolsGA.org) or at (678) 676-1079. I look forward to partnering with your family around your child's academic success.

Respectfully,

-Norman C. Sauce III, Ed.D.

Region IV Superintendent
DeKalb County School District
